Tips for a smooth hunt

- Safety first: the washer must be off and cool. Stick a note on the door so nobody switches it on mid-hunt.
- Hide them backwards: prize first, then the highest card down to card 2, so nothing gets found early.
- Fold each card in half so peeking hunters can't read ahead, and tuck a corner out so it is findable.
- More than one hunter? Take turns reading each card aloud, and let the youngest open the prize.
